Avery Dennison Supreme™ PPF Xtreme Gloss

Extreme Paint Protection.
Ultimate Performance.
Featuring *RAPID EDGE™*

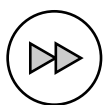

Revolutionary, next generation technology

Supreme™ PPF Xtreme Gloss is the latest evolution in Paint Protection Film from Avery Dennison, it's next-generation design offers RAPID EDGE™ Technology, an extended 10 year warranty*, enhanced self-healing and stain resistance.

This premium high gloss film protects and preserves a vehicle's showroom quality finish by helping prevent wear and tear damage to the original factory paint.

Featuring our revolutionary RAPID EDGE™ technology platform, Supreme PPF Xtreme products deliver unparalleled application performance, wrapping around edges and sticking down fast, helping you keep install times low.

RAPID EDGE™ technology

Significantly increase application speed, and eliminate the need for additional chemicals – with RAPID EDGE, just use warm water to lock down edges.

10 year warranty

Designed and tested for our extreme environment, Supreme PPF Xtreme is in it for the long haul and comes with a 10 year limited warranty across all zones.

Protect and preserve your vehicle's value

Ultra gloss, virtually invisible and non yellowing, Supreme PPF Xtreme protects and preserves a vehicle's showroom quality finish by helping prevent wear and tear damage to the original factory paint.

Effortless self healing

Enhanced self-healing enables minor scratches and scuff marks to resolve with ambient heat.

Advanced stain resistance

Highly hydrophobic, Supreme PPF Xtreme Gloss enables easier cleaning and greater protection from environmental contaminants such as insect strikes, bird droppings and general fallout.
