# Avery Dennison Surface Prep Pro

5 Litres

Avery Dennison Surface Prep Pro is a 5 litre high-performance surface cleaner that enables you to remove all kinds of residue in one single action, including dirt, wax, tectyl, light silicone, cock-pit sprays, and more, prior to vinyl application.

A highly user-friendly cleaner, it can also be used for removing small adhesive residues from surfaces.

## Key features

- Can be applied directly to the substrate eliminating the two rag system
- Targets blocking residues, such as dirt, wax, tectyl, light silicone, among others
- Comes in a 5L bottle which is a larger, more sustainable packaging
- Thorough substrate cleaning prior to graphic/vinyl application

## Applications

- OEM Application Surfaces
- Fleet and Automotive Application Surfaces
- Glass and Stainless Steel
- Architectural Application Surfaces

## Instructions

1. Pre-clean the substrate with a mild detergent solution & wash off with clean water
2. Spray a liberal amount of Surface Prep Pro on to the substrate
3. Allow it dwell for a short period of time
4. Remove Surface Prep Pro & contaminants using a clean lint-free cloth
5. Apply Graphics to the clean substrate
